Dear Harvey:

Our prior letter of appreciation for leather bound Stack's sales catalogs of the Ford Collection is obsolete in view of their continuation. You have made a beautiful presentation of beautiful volumes of beautiful numismatic objects with beautiful images and beautiful descriptive text. WOW!

Now for the bad news. For some reason we did not receive leather bound volumes II and III but have all the others through XI.

The library room in my new Money Museum in St. Louis (now under construction) will have your leather bound volumes in a prominent place. Late next year come and see them.

Our best to your team.

Sincerely,

Eric P. Newman
